## The Secret to Setting Up Your Google Business Page the RIGHT Way Get More Local Business (for FREE)

Did you know that Google rewards you (big time) for having a rich and complete business page? So much so, that they will rank you higher and even put you in the coveted “3-Pack” if you just jump through a few little known hoops? In this free two hour workshop, we’ll explore how to leverage your Google Business page to get you more local traffic. Once we implemented these hidden secrets in our Google Business page at Shanna Moll Studios, the phones began to ring with leads specifically cultivating our dream guest. It was like turning on a faucet. Come join us and take practical steps to moving your business forward.

### Who is this for?

ANYONE who owns a local business, or operates as a sole practitioner, and is looking to gain more visibility and increase bookings without having to spend money on advertising.
